Reach your recruitment goals

USI is a young and dynamic public university located at the crossroads between Northern Europe and the Mediterranean, defined by Swiss quality and spirit of innovation. Students receive an interdisciplinary education that enables individual empowerment, full engagement and international careers.

USI's students and alumni are:

- Open-minded and cross-culturally skilled
- Community-minded and reliable
- Critical and ethical thinkers

A dedicated, free-of-charge job bank allows you to directly reach out to the USI students and alumni community.
