Una Facoltà  
affiliata all'USI

The Workshop “Metaphysical and Epistemological Perspectives on Quantum Theory” will focus on philosophical questions arising within fundamental physical theories, especially quantum mechanics. The workshop will host international speakers, fostering discussion with the local research community on key issues in the foundations of physics.

**Speakers**  
**Tim Maudlin**  
(New York University)  
**Valia Allori**  
(University of Bergamo)  
**Mario Hubert**  
(Ludwig-Maximilians-University Munich)
