

Invitation

BioMed PhD Day 2021

Thursday-Friday
14-15 October 2021
09.00–18.30

BioMed PhD Day 2021

The USI Faculty of Biomedical Sciences, together with its affiliated and partner institutes, offers study programmes for doctoral students in immunology, oncology, neurology, cardiology, drug sciences, public health and computational biomedicine. On October 14 and 15, a selection of young doctoral students currently attending these programmes will present their research work at the third PhD Biomed Day, which will be held at the USI East Campus.

**Thursday-Friday
14-15 October 2021
09.00–18.30**

Università della
Svizzera italiana
East Campus
Via La Santa 1
6900 Lugano
