

Career  
Live  
Stream

Room 156  
Main Building  
Lugano Campus

# Informatics, AI, Data Science and FinTech

Università  
della  
Svizzera  
italiana

Career  
Service

Join from your laptop  
(or from the compu-  
ters in Room 156)  
the new virtual series  
of company events.

During 30 minutes,  
employees of exciting  
companies will tell you  
about their work and  
answer all your written  
questions.

During and after the  
career live stream, you  
can join the company's  
talent pool to be con-  
tacted by a company  
representative for open  
positions.
