

Discover your Future Career Opportunities in Audit and Consulting

Tuesday, 10 May 2016 (16.30 – 17.30h, followed by an apero)

USI, room A-23

What are the greatest challenges companies are facing? How does Deloitte help them overcome these challenges? Why do we want you to become part of our world?

Join us for our presentation to discover our consulting and audit service lines. Get a taste of what being consultants and auditors is about and how the thrill of real challenges feels like.

You have the talent, we put it into action.

Socialise

An apero will be offered at the end of the session where you will have the chance to ask Deloitte consultants and auditors about their daily project work.

Registration

A registration for the event is not needed.
