12 November, 12.15-14.00
Sector A, Room A1.05
East Campus or online

The US Embassy will be in Lugano to give a presentation on the different Fulbright program opportunities for students and scholars to study and/or conduct research at universities in the U.S., as well as on the Specialist Program to host U.S. academics and professionals.

The event is jointly organised by SUPSI International Office and USI International Relations and Study Abroad Service

For organisational reasons, we kindly ask you to confirm your participation (either on site or online) and whether you will stay for the lunch, by registering here.
