Swissnex Global Network Mission

swissnex is the Swiss global network connecting the dots in education, research, and innovation. Their mission is to support the outreach and active engagement of their partners in the international exchange of knowledge, ideas and talent. The swissnex global network consists of five locations and outposts established in the world's most innovative hubs.

Are you a startup looking to scale beyond Switzerland and launch into new markets to accelerate your growth?

The swissnex Network offers support and resources for Swiss startups that help them leverage opportunities within the global startup ecosystems in the USA, China, India, Brazil and the UK.

The swissnex startup team will be at your disposal to present opportunities to help you launch into the global market. Join this event to gain in-depth knowledge of the most vibrant startup ecosystems and learn how to best leverage these markets and gain a competitive advantage.

Who should attend?

Swiss startups who are looking to internationalize and players of the Swiss startup ecosystem interested in learning more about opportunities and resources available for internationalization and network with experts.

Register now and book your one-on-one session with a swissnex startup manager.

Participation is free with registration by Friday 20 September at the following link:
