With Switzerland's association to Horizon Europe, Swiss participants now apply as Beneficiaries and must comply with the Horizon Europe financial rules as potential recipients of EU funding.

This is valuable opportunity for researchers planning to submit a project proposal under the various calls of the Horizon Europe framework programme in the coming months.

Agenda

12.00	Welcome
12.05	Prepare the budget for your EU proposal by Sara Caspani, Research Manager - USI Research Service
12.50	Open Science-Related Costs by Igor Sarman, Research Data Manager - USI Research Service
13.00	General Q&A Whether you have questions about budget preparation or about which project costs are eligible, this is the right moment to get your questions answered!
