iDeAS 35th Anniversary

The iDEAS association (Inclusion, Diversity and Equality Association of Swiss Universities) is celebrating its 35th anniversary this year.

Together, we would like to reflect on our achievements and successes, as well as on current challenges and possible solutions we intend to use to tackle them in the coming decade.

We are delighted to welcome Dr. Emilia Roig as our guest speaker. In her talk «Advancing social Justice in Swiss Universities», she will explore key issues relating to social justice, intersectionality, systemic inequalities and transformative change in the context of diversity, equity and inclusion at Swiss universities. Afterwards, we look forward to a discussion with all attendees.

When:
Monday, 31 August, 3.00–5.00 pm, followed by a celebratory drinks reception

Where:
Kuppelraum, University of Bern, Hochschulstrasse 4, 3012 Bern

The event will be held in English. Places are limited, please register.
