

Instructions for accessing the Care Room / Room 168

09.10.2025

1. Access

- Access is granted to those who request it and need rest or assistance.
- The space can be used by one person at a time, either independently or accompanied by carers.
- Carers are not permitted to access the space without the person requesting assistance being present.
- The space may not be used for purposes other than those intended.

To access the Care Space, you must request authorisation for your badge by sending a request to equality@usi.ch.

Access to the space is permitted upon reservation.

2. Reservation

- To reserve a time slot, **once you have obtained your badge authorisation**, you must make a booking via the dedicated website <https://aule.usi.ch/prenotazioneauleriposo> or by using the **QR code** posted on the door.
- Bookings are **anonymous**.
- You can view the available slots by consulting the website.

3. Hygiene rules for use

- Keep the room clean and tidy, disposing of any rubbish in the appropriate bins.
- Do not consume food or drinks inside.
- If you use sunbeds or chairs, sanitise them after use.
- Keep the room well ventilated after use.

4. Good Practices

- Respect the privacy and peace of mind of other users.
- Report any problems or maintenance needs to: equality@usi.ch.

Compliance with these simple rules contributes to the well-being of everyone.

Thank you for your cooperation!
